WINNER: FACULTY ORGANISATION WITH THE HIGHEST VOTER TURNOUT

As the quickest of you already realised reading the previous section, the Swedish School of Social Science put in a magnificent effort to achieve the highest voter turnout among the faculties. This means that the faculty organisation StudOrg won a free reservation to Alina Hall through the high voter turnout in their faculty. Congratulations for the win! HYY will contact the faculty organisation directly as soon as possible to discuss the details of their win.

WINNER OF THE RAFFLE FOR ORGANISATIONS ADVERTISING THE ELECTIONS ON INSTAGRAM

In the contest for organisations, we raffled off a free reservation to Alina Hall among all organisations that advertised the elections on Instagram by 2 November. This time, luck favoured the organisation Vuorovaikeutus ry! Congratulations for the win! HYY will contact the organisation directly as soon as possible to discuss the details of their win.

Election regards,
